## ROOSEVELT GETS 65 OUT OF 76 PENNA DELEGATES

First Returns From Primary Make Former President's Triumph Complete. Politicians Look Upon Victory With Astonishment as Roosevelt Supporters Were With Out an Organization Will-win 74 Delegates

PHILADELPHIA, April 14.—Latest returns from yesterday's primary indicate that Theodore Roosevelt will have 65 Pennsylvania's 76 delegates to the Republican national convention with a possibility of 67.

Roosevelt won 63 district delegates and his supporters captured the convention which will name 12 delegates at large.

The state convention has the power to elect a new state chairman to succeed United States Senator Penrose, and the national delegates can elect a new national committeeman from Pennsylvania to succeed Senator Penrose.

Woodrow Wilson, according to the returns at hand, will have 14 of the Pennsylvania delegates in the national convention. In the 28th congressional district the two Democratic delegates elected are favorable to Roosevelt.

Colonel Roosevelt's sweeping victory over Governor Wilson continued to grow as the returns continued to come in.

Incomplete returns from every district give the former president 65 delegates to the Republican national convention. Roosevelt supporters are claiming 67 and later returns may carry the figure to that total.

Politicians look upon the triumph of Colonel Roosevelt with astonishment. The supporters of the former president were without a state organization or without an organization in many of the 32 congressional districts.

Standpatters Crushed. The regular Republican organization, headed by United States Senator Penrose, which has withstood the fury of many political storms, received a crushing defeat in the loss of control of the state convention. It is the first time in the present generation that it has lost control of that body.

In addition to naming the 12 delegates at large to Chicago, the convention will select 28 presidential electors, four candidates for congressman at large and candidates for treasurer and auditor general, all to be voted for at the November election.

The significance of the Roosevelt victory can be realized when it is remembered that the delegates in control of the state convention have the power to elect the state primary, to select the party ticket, to elect the national committeeman. At present Senator Penrose holds this position.

It was said by a prominent member of the state committee tonight that some of the Roosevelt delegates elected to the state convention are regular organization men who, while voting for Roosevelt delegate, will stand by the state organization.

Some of the organization leaders refrained from personally entering the primary as candidates for district delegates had expected they would be selected as delegates at large.

Among those understood to have been looked upon as the likely delegates were Senators Penrose and Oliver Governor Tener, Secretary of State Robert McAfee and State Senator McMichael, leader of the party organization in Philadelphia.

Keystone Party for Roosevelt. The vote polled was light. In some districts it did not go much over 50 per cent of the vote at the last general election. Colonel Roosevelt is expected to win.

FLOOD WATERS NOT YET UNDER CONTROL. Thousands Work Day and Night in Effort to Save Lives and Property

VICKSBURG, Miss., April 14.—The Mississippi levee for miles along here presents a wall of water. Fires of driftwood dot the embankment on which refugees are waiting for barges of beavers for food.

Meanwhile the work of rescue is proceeding in the back country. Volunteers in launch and skiffs and on land are making a desperate battle with the flood.

On Friday, and 3,500 thousands made their own way to safety. They are being taken to safety by launch and skiffs. The work of rescue is proceeding in the back country.

## T. R.'S. AVALANCHE VICTORY IN THE EAST SPEKE FINAL WORD

WASHINGTON, April 14.—The avalanche victory for Colonel Roosevelt in Pennsylvania spoke the final word and made the repudiation of the Taft candidacy complete. Statement at Roosevelt headquarters.

"The president is in this fight to stay. He will be the nominee of the Republican convention at Chicago. He was nominated four years ago without the votes of Illinois, Pennsylvania, Indiana, New York or Wisconsin."

Representative William B. McKinley, director of the National Taft bureau, said: "When the complete returns are received, it is probable that the New Jersey governor will have the solid delegation of 16 votes."

"Speaker Clark's friends expected little and made practically no fight in Pennsylvania. The latest advice assures at least 17 votes." Statement at Clark headquarters.

The foregoing is an epitome of comment made today on the Pennsylvania primary by campaign managers.

The statement from Roosevelt headquarters refers briefly to Pennsylvania. The quotation given is practically all that has been said. The rest is devoted to a review of all the contests to date, setting out the claim of the Roosevelt managers.

Director McKinley's View. Director McKinley's statement, before the primary, was:

TWO KILLED WHEN CHURCH FLOOR FALLS; MANY HURT. Three Hundred Precipitated Into Basement During Ceremonies of Laying Corner Stone

HARRINGTON, Ark., April 14.—Two persons were killed and more than a score injured, several seriously, when the collapse of the floor of the Church of Our Lady of Victory precipitated nearly 300 persons into the basement today.

The church was only partly completed and the assemblage there today was in connection with the ceremonies of laying the cornerstone.

The collapse of the floor came while an address was being delivered by Father Delany, pastor of the church. Suddenly the floor was heard to creak and then it went down with a crash.

Many women and children were caught and many were badly injured. Mrs. Nicholas Ottlinger and Mrs. Fritz Ottlinger were injured so badly that they had to be taken to the hospital.

EXPLOSION WRECKS BIG STEEL PLANT. CHICAGO, April 14.—A gas explosion, which endangered the lives of more than 100 persons, wrecked the power house of the Illinois Steel company's South Chicago plant today, causing a property loss of more than \$100,000.

Reports of fatalities were denied by officials of the steel company.

## DROPS DEAD IN TEJON ST. CAR

B. C. BOYLES DIES WHEN ABOUT TO ALIGHT. Was Kansas City Man and Had Been Visiting Brothers Here and in Fowler

Mr. Boyle, 25 years old, of Kansas City, Mo., dropped dead from heart disease on a North Tejon street car at about 8:15 o'clock yesterday afternoon.

Just as he was about to alight at Tejon street and Pike's Peak avenue, he came here two months ago for his health.

Of the crowd of curious people attracted by the news of the death, among the first to reach the car was a brother, Mr. M. Boyle, 1025 East Boulder street, proprietor of the Brunswick pool hall.

Mr. Boyle rushed from his place of business, peered over the shoulders of a number who were standing in the car, and gazed upon the features of his dead brother.

Mr. Boyle was so affected that he ran back to the pool hall, told of the identity of the man, and asked a friend to tell the police.

The late Mr. Boyle had been visiting his brother on East Boulder street and also another brother, W. L. Boyle, a ranchman of Fowler, who latter returned home yesterday morning after bringing his brother back to this city.

Seemed Improved Here. Mr. Boyle had been in failing health for some time, but during his stay in Colorado he seemed to improve. Yesterday, shortly after dinner, he told his brother that he thought a trip to Stratton park would benefit him, and accordingly he spent the afternoon at the park, unaccompanied.

The transfer given by the company for the last time, Mr. Boyle was still clothed in his hand when he was lifted from the floor of the northbound car.

In addition to the two brothers living in this state, Mr. Boyle has a cousin, Mrs. Harriet White, living at Husted. His mother, Mrs. Evaline Jane Boyle, and sister, Mrs. F. D. Burnett, live in Independence, Mo.

Another sister, Mrs. Anna P. Van Horn, lives at Vedette Lodge, Kan. Mr. Boyle was born at Flag Springs, Adair county, Mo.

Funeral arrangements probably will be made today following the arrival of the brother from Fowler. It is thought that burial will take place in this city under the auspices of the Masonic and Moose lodges, to which Mr. Boyle belonged.

USE SMUDGE POTS TO SAVE APRICOT TREES. GRAND JUNCTION, Colo., April 14.—With a temperature that fell below freezing during the night, fruit growers last night were compelled to light smudge pots in the upper part of the Grand valley to protect the apricot trees which are now in full bloom.

This was the first time this month that any alarm over the fruit crops was felt. No snow was seen.
